*Is there a supernatural dimension, a world beyond the one we know? Is there life after death? Do angels exist? Can our dreams contain messages from Heaven? Can we tap into ancient secrets of the supernatural? Are healing miracles real? Sid Roth has spent over 35 years researching the strange world of the supernatural. Join Sid for this edition of **It's Supernatural**.*

SID: Hello. Sid Roth here. Welcome to my world where it's naturally supernatural. I have so been looking forward to this guest, because as a young boy, he heard the voice of God, and God called him to be a worship leader, a modern day Levite. And this man spent eight hours a day worshipping God. He's paid the price and you are going to get the glory that comes off of this man as he sings. I mean, people get delivered of everything you could imagine. They have supernatural experiences. They get physically healed. They get spiritually healed. Every addiction you can think of can't take the heat of the anointing. Now my guest, many of you are familiar with, Eddie James, seeing as he's number three on the Gospel charts. Eddie, what intrigues me so much about you is you're a young boy. You're saved and you hear the voice of God. What did He say to you?

EDDIE: Well I will never forget it The Lord spoke to me when I was eight years old when I gave my life to Jesus Christ. And the moment that I did I heard the Lord say, I'm going to use you. You're going to be a minister of the Gospel through music and I'm going to take you to the nations of the world. And that's what he spoke to me.

SID: Was it inside or was it an audible voice?

EDDIE: I audibly heard that. It was as if everything in the room tuned out and I just heard the voice of God as if it was my father calling. I audibly heard His voice.

SID: Okay. What's a young kid do? I can tell you what a young kid does. He goes to his mother and tells her. What did she say?

EDDIE: Well you know, I told my father first when I got in a car with him to go home and he said, tell your mother what you told me. When I told her that she was so moved. And she had received a prophecy while I was in her womb. She wasn't even showing yet. This man came from Africa, called my mother out of the choir that she was in and spoke to her those exact same words, and she wrote his words on a card, and she pulled it out of her Bible when I told her that.

SID: You know, from the little bit that I've heard about your mom, I can see why she's your hero. Is she really? Tell me the truth.

EDDIE: Yeah. Naomi is powerhouse in the name of the Lord. She's my hero.

SID: You know, we don't have time to go over it, but you saw so many miracles at home because you didn't have much. You saw food materialize. You saw healings. That was natural for you.

EDDIE: Yes. We were in a time when my family hit a very struggling moment financially. And during that season the Lord showed me faith through the prayer life and of my mother, and how the Lord would answer her. And you mentioned the food thing. I'll never forget, we had no food in the cupboards. She sat us down around the table and she put the pots on the stove as if she had something to cook. But I knew because I had been in there, no food in the refrigerator or in the cupboards. And then the doorbell rang. After praying, the doorbell rang and I turned around in my seat to watch what was going to happen, because my mother had been in the Spirit all day. She goes to the door, opens the door. There are 12 bags of groceries around the doorstep.

SID: Listen, you think that's something. He saw his mom pray for gas when they needed gas to drive the car, and he saw the dial on the gas meter go all the way up.

EDDIE: Yes, absolutely.

SID: I mean, he's seen every miracle as a kid. I mean, I didn't even know my left hand from my right hand as a kid. But wait until you hear this song by Eddie James, you see, because he got it from an open vision from Heaven. And he heard aborted babies, babies that died young. So you have a big burden for aborted babies. When they were singing in this what you heard, you used the, is it dah, dah, dah. Explain that.

EDDIE: Open vision in Gaston, Alabama, pastor's home, preparing for service, and I come into this vision, and I heard this song called, "I Need You." And there's a part in this song where it didn't make sense to me at first, [singing] dah, dah, dah, dah, dah. [speaking] And I said, what is that? And the Lord took me into this place where were these children that were singing. Many of them had been aborted. Some of them had died as miscarriage. Some of them had died young. They were worshipping God. It was the sound of worship from those children.

SID: I tell you, I prophecy to you, your hunger for God is going to grow as you hear, "I Need You".

EDDIE [music, singing] Dah, dah, dah, dah, dah, dah, dah. I need you. I long for you. My heart and my flesh cries up for the Living God, for the Living God. Invite your ear, the trembling and tears are yearning. To the throne of grace, to seek your face, I'm yearning loving for God. I need you. I need you. For nothing and no place no one else will do. I need you. I need you. For you satisfy the long inside. I need you. I need you. For nothing and no place no one else will do. I need you. I need you. For you satisfy the longing inside. Lord, we need you. I need you. For nothing and no place will do. I need you, oh I need you, Lord. For you satisfy the longing inside. I need you, I need you. For nothing in no place will do. I need you, Lord I need you. I need you, Lord I need. For no place, no one else will do. Jesus, I need you, yes I need you. Oh but you satisfy the longing. Jesus, I need you. For no place, no one else will do. I need you. For you satisfy the longing. Jesus, I need you, Lord. Jesus, I need you. No place, no one else will do. Jesus, I need you. Lord I need you. Satisfy the longing. Jesus, I need you, yes, I need you, Lord.

SID: Hello. Sid Roth here with Eddie James. And he's doing what he's supposed to do naturally. It says that the gentile is to provoke the Jew to jealousy. But this is ridiculous. You see angels all the time. They look like humans. Tell me about this one angel that the same one you keep bumping into.

EDDIE: It's interesting. My father, when I would work with him in construction, we would go places to eat and this one angel would just show up. And the first time this angel came, came in human form, kind of mid-age individual male, and he spoke to me and said, "You've been anointed with God for great work, and I've come to visit you and to release the anointing into your life. Every time I show up, I'm going to release these things into your spirit. I'm releasing the anointing of God."

SID: So every time you bump into him, he releases things to you. Very briefly, tell me about the angel that was a fireman. He put out the fire.

EDDIE: Oh my goodness. Okay.

SID: That's okay. I'm just getting cute.

EDDIE: This is awesome. So we were in Maine, Charleston, Maine, and heading to Pennsylvania. And in the middle of the night the bus breaks down, and there's a fire at the back of the bus. Now I work with young people that we rescue off the street. I care for about 40 of them full time. They were all on the bus with me and I pulled them off the bus and had them sit on the side of the road. And we have a fire extinguisher and didn't know what to do. This guy just comes up, parks on the side of the road, takes this fire extinguisher, goes to the back of the bus, puts the fire out, gets back in his vehicle and takes off. Didn't say a word to us. Didn't say, are you okay, how are you doing, is everything good, what's up, nothing. Just comes and put the fire out. And I'm sitting here, and I'm just watching it unfold, and my mind has been blown away. I know God sent that angel to take care of us that day.

SID: I have to find out. The young kids, what impact did that have on them? Did they realize it was angel?

EDDIE: Yeah. They all freaked out. They were like, what just happened.

SID: You'd freak out, too.

EDDIE: Yeah. It was absolutely amazing because none of us knew what to do. But there was just this peace from another world that came upon us when he showed up. There was no fear. It was just you knew God had come to rescue His kids.

SID: Now many of your songs come from the supernatural like a dream. For instance, the song you're about ready to hear came from a dream in which literally, I tell you, you're going to hear Jesus sing over you.

EDDIE: [music, singing] I am Jehovah and I am your king. I am Messiah, I am the offering. I am your high priest and I am Christ. I am the Resurrection. I am the Light. Jesus said to me, he says, I'm everything you long for. I'm everything you need. I am. I am the bread and I am the wine. I am the future so leave your past behind. And I am the one and [unintelligible]. I am your jubilee. I am, oh yes I am. I'm everything you need today. Yes, I am. I am. [unintelligible] I am your [unintelligible]. I am your strength, your love, I am your [unintelligible]. Messiah. I am [unintelligible]. I am strength, I am faith, I am your freedom. I am hope, I am peace, I am [unintelligible]. I am strength, I am love, I am your freedom.

SID: You know, it's not just good music, even though he's winning all sorts of awards for his music. It's not that. It's the anointing. People get delivered. Tell me about some of those set free of homosexuality.

EDDIE: A young man by the name of Kagen Wesley and the mighty move of God in Louisville, Kentucky, years being molested and raped by other men and just gave himself to that world. But through the power of the Holy Ghost he came to our service and God delivered him. He is one of the most powerful voices heard today.

SID: That's normal. I wish you all were normal. Tell me about the person who was paralyzed from the waist down.

EDDIE: Okay. We do this song called, "Jesus Said It", and it talks about [unintelligible]. We're leading worship and while we're leading worship, this gentleman I had known before he fell, he had fallen several flights of stairs, paralyzed from the waist down, came to the service that night and high praises in the house. He looks at his wife and said, "I can feel feeling, there's feeling in my legs." He had feelings in his legs. And so there's an outbreak of praise. And then he gets up. He starts walking. He starts running. He starts taking that wheelchair and starts pushing it around the room and he lifts up that wheelchair. He was the Holy Ghost that day. It was crazy. Yeah.

SID: So a lady actually lost 200 pounds at once?

EDDIE: Yes. No, in the service that night. That's documented. Yeah.

SID: You just heard it. Did you hear what he just said, 200 pounds in one service. Oy vey.

EDDIE: She got delivered from some kind of an issue in her body, and right there just 200 pounds came off of that woman. We were just worshipping. We weren't laying hands or nothing.

SID: People healed of cancer, addiction, drugs.

EDDIE: Yes sir.

SID: Alcohol

EDDIE: Yes.

SID: Why is there such a strong anointing on you for people? Do they have much withdrawal?

EDDIE: Ninety-five percent of the young people that we touch, and adults, that get delivered in our services, no withdrawal. I'm talking about heroin, crystal meth, cocaine, crack, instantly broken off of people's lives.

SID: Okay. Four inches short a leg. You really saw the leg grow out?

EDDIE: At the rim. Crazy.

SID: I'll teach you. *Meshuggah*. That's Hebrew for crazy.

EDDIE: *Meshuggah*. That sounds like something my grandmother would say, *meshuggah*. I tell you, it was powerful. It was powerful. I mean, it was just like this. And when they prayed for him I saw that leg come and my legs went crazy, too, when I saw that.

SID: Okay. I want you to go to the music set and I want you to get ready for something that is going to be one of the highlights of your life. Trust me on this. The song is called "Rua", which is Hebrew for shout. And when Eddie finishes this song, remember what happened to the walls of Jericho when they shouted? Remember what happened to Goliath when David ran shouting towards him? That's what's going to happen to the walls in your life. You need a miracle. You decide what miracle you need, and when Eddie finishes that song I want you to shout for all your worth, and you are going to have breakthroughs. I tell you, breakthrough. Rua!

[music]

EDDIE: I come today if there's a shout going on inside of you that will tear down the walls between you and your promise. I want you to stand up on your feet and I want you to put your hands together, and I want you to release that sound. I want you to release that shout that's inside of your belly. It is time for the walls that stand between you and what God has promised you to fall tonight. If there's a shout in your belly I want you to release that right now as we praise the name of the Lord. Come on, put our hands together and say, rua, rua, rua, shout a victory over the enemy. Rua, rua, the Jericho walls are falling. Say rua, rua, rua. Shout a victory over the

enemy. Rua, the Jericho walls are falling. Come on everybody help me. Rua, rua, shout a victory over the enemy. Rua, rua, the Jericho walls are falling. Rua, rua, rua, shout a victory. Put your hands together. I raise it high unto the king. He is high. He took the keys [unintelligible]. He rules the power [unintelligible]. [speaking] Shout in your living room, those who are watching, shout in your kitchen. Victory is yours in the name of the Lord [singing] Rua, rua, shout a victory over the enemy. Rua, rua, Jericho walls are falling. Rua, rua, the Jericho walls are falling. Rua, rua, rua, shout a victory over the enemy. Rua, rua, rua. I lift a praise. I raise it high to the king. Do you believe he's alive. He to the keys [unintelligible]. I lift the praise. I raise it high... [repeat]. Through Jesus I'm saved. Who is the king of glory. Rua. Who is your deliverer. Who is your savior. Rua, rua. The devil is defeated. I live to praise. I raise it high. To the king I declare Jesus is alive. He took the keys [unintelligible]. He rose his own power with Jesus I'm saved. Say rua. The devil is defeated. Rua! [speaking] Rua! Somebody shout a victory!
