God has outdone Himself...but The Best is Yet to Come!

by Sid Roth

We are on the verge of seeing Bible prophecy unfold before our very eyes. Don't miss it!

Strap on your seatbelt! Jesus is ready to return.

Prophecy given to Sid Roth by the late Steve Hill.

What I saw while praying for Sid Roth was stunning. Sid is a man of God, who believes in the supernatural. We were together interceding for one another. I closed my eyes and saw a common passenger train shooting down a straight track. Suddenly there was an explosive conversion of power! The locomotive was transformed into a supersonic bullet train. The acceleration was beyond my belief. The speed was a blur. The train was now moving towards its destination faster than anyone aboard could comprehend. The interpretation was clear. This was the future of Sid Roth's ministry and *It's Supernatural!* **Now is the time to get aboard. More must be done and time is not on our side.** ✨

The Middle East Television Network (METV) reaches a potential of 150 million viewers in 25 countries in the Middle East every day. Thank you for helping to reach both Jews and Arabs in the land where Jesus will soon return! SidRoth.org/METV

Our purpose is to prepare Israel and the world for the return of Jesus!

After the exodus from Egypt and 40 years of being refined in the desert, only two Jewish men above 20 years of age (military age) survived to enter the Promised Land. Joshua and Caleb were the only two out of over half a million Israeli men to fully trust God!

On our 40th Anniversary, we too are entering the Promised Land of Israel through Middle East Television (METV). We too had to rely on God in order to purchase this television network and not be dissuaded by the giants in the land! When God saw our raw faith, He moved way beyond my wildest imagination, entrusting us with a network that is "must carry" on every television set in Israel. It also covers the entire Middle East.

Then God outdid Himself! He gave us **two** television networks in the Middle East for the price of one. After we purchased Middle East TV, we discovered there was new technology that would allow us to broadcast an additional network on the satellite.

I [God] will bless those who bless you [the Jewish people] and curse those who treat you with contempt. All the families on earth will be blessed through you.

So we will be able to add our 24/7 *It's Supernatural!* Network (ISN). We will have **two different broadcast television networks blanketing Israel and the entire Middle East! God, you are brilliant!**

God promised Joshua, "Every place that the sole of your foot will tread upon I have given you..." (Joshua 1:3). I believe every place our TV footprint touches, God will give us to add to His Kingdom.

As a new believer four decades ago, it would have been easy to take my eyes off the prize and miss the purpose of my life. But God has been faithful. **Now at 76 years young, I truly believe my ministry has just begun!**

God Owns the Land

Have you noticed how the whole world is arguing about who owns the land of Israel? I have inside information—the land does not belong to the Jews or the Arabs. In Joel 3:2, God calls Israel, "My land."

As the owner of Israel, God has the right to lease the land to anyone He wants for as long as He wants. God arranged a long-term lease to the Jewish people. According to Psalm 105:8-11, the length of the lease is "forever," "everlasting" and "for a thousand generations."

The consequences for violating the terms of God's lease are fatal. In Joel, God promises to pour out His judgment on every nation that attempts to "divide up" His land.

I will also gather all nations.... I will enter into judgment with them... on account of My people, My heritage Israel, whom they have scattered among the nations; they have also divided up My land (Joel 3:2).

God judges Israel Himself, but He uses Israel to judge the nations. God says in Obadiah 1:15 (NLT): "The day is near when I, the Lord, will judge all godless nations! As you have done to Israel, so it will be done to you...."

Those Who Bless Israel Will be Blessed

I believe God has given America one more chance to fulfill her destiny. He has created this nation to fund and spread the Gospel throughout the world! I see God pouring out His blessings as we bless

Israel by reaching the Jew first. This supernaturally opens the door of Genesis 12:3 (NLT): "I [God] will bless those who bless you [the Jewish people] and curse those who treat you with contempt. All the families on earth will be blessed through you."

Watch as all the families on earth [the Gentiles] pour into the Kingdom when we reach out to the Jew first. This is what Paul refers to in Romans 11:15: "For if their [the Jewish people's] being cast away is the reconciling of the world, what will their acceptance be but life from the dead?" In other words, we are about to witness the greatest demonstration of resurrection-power evangelism in history! METV, the acronym for our new TV network, also stands for "Messiah's Entrance To Victory" in the Middle East.

Our purpose is to prepare Israel and the world for the return of Jesus! This is why God gave me a dream in which He said three times, "I am returning soon!"

Because I see what is in God's heart for worldwide evangelism, I am busily developing new programs for METV that will spotlight the next move of God's Spirit. We want to feature unknown people who burn

The Best is Yet to Come!

Israel is about to experience its greatest outpouring of God's Spirit in history! I see us filming miracles as they take place in the streets of Jerusalem, even "messianic" miracles like the blind seeing, the deaf hearing and the lame walking. But Jesus also said in this final generation we will see even greater miracles (John 14:12)!

I know we are on the verge of witnessing creative miracles such as missing eyeballs and amputated limbs being restored. But God is also saying He is ready to show the world new things that we have never seen before. Most Jewish people will not attend evangelistic meetings. But when we broadcast these miracles as they are happening, entire families in Israel and throughout the Middle East will be saved, healed and delivered in the privacy of their homes!

The highest spiritual stakes in the world hang in the balance. This is why I need your prayers and gifts more than ever. We are debt-free as a ministry. That means all your gifts will be poured into Jewish evangelism. We are also charter members of the ECFA—the accountability organization Billy Graham started to help ensure financial integrity and high ethical standards. I know God will supply all the money we need and I pray you are one of those chosen to share in the end-time harvest blessing.

We are on the verge of seeing Bible prophecy unfold before our very eyes. Don't miss it! Be sure to download our ISN app to watch our 24/7 digital network and get ready to see miracles and prophecy happen on your smart phone or computer anywhere in the world!

The **ONLY** peace in the Middle East will be when Jew and Gentile are one in Jesus. That's why I also see ISN Network as an acronym for "I Save Now!"
