

Can you imagine? My guest saw Jesus pull 1000 demons, out of a single woman? Want to hear the most amazing thing that happened next?

*Is there a supernatural, dimension? A world beyond the one we know. Can we tap into ancient secrets of the supernatural? Can our dreams, contain messages from heaven? Is God ready to bring a tsunami wave of healing onto planet earth today? Sid Roth has spent over 40 years researching the strange world, of the supernatural. Join Sid, for this edition of, **It's Supernatural**.*

SID: Hello, Sid Roth here. Welcome, to my world. Where it's, naturally, supernatural. My guest, Dr. Francis Myles, is in South Africa, in a tent meeting, and they bring, a woman, that has been, insane, for 20 years. What happened?

FRANCIS: They bring her into the crusade, and, she has no essence of, being there. The men that were holding her had to hold her all the time because she was trying to run out. Then when the, Lord, brought me closer to pray for her, I saw, her body got opened up and I saw her spirit, and her spirit was surrounded with, what looked like a beehive, of thousands of, demons with twinkly eyes. And, then her spirit spoke to me in English.

SID: She didn't speak English.

FRANCIS: She didn't speak English. She spoke Zulu.

SID: Zulu.

FRANCIS: And, she, speaks in English and, her spirit says to me, Sid, "Francis, help me."

Francis, help me.

FRANCIS: It was the most desperate cry, I've ever heard in my life. And, in that moment, the fire of God came upon me, and, my interpreter said, I put my finger on her, head and I said, "In the name of Yeshua, unroll." And when I did that, I saw the golden hand of Jesus, go into her body, and, begin to pull the spirits. They were tied to each other. It was like a long tail, and they began to come out, like that.

And when, the last one came out, it's like Jesus threw the whole string of these demons, in one string, and the woman fell back with the people who were holding her back, and she recovered first, totally healed, and delivered.

SID: Only Jesus.

FRANCIS: Only Jesus.

SID: Otherwise, 20 years insane, that was her fate for, her whole life.

FRANCIS: She was, eating in the trashcans of, the community. She was well known.

SID: Now, I know, and you know, that the devil, is terrified, at this divine, revelation that you received, of restraining orders, from the court room. Before we even, get into this, tell me the circumstances, of how you got this revelation.

FRANCIS: Yes, I was driving from a crusade where I had seen blind eyes opened, deaf ears opened. I was listening to Ron Kenoly's song, Jesus is Alive, and I was coming towards, a streetlight. And when I was coming close to it, the Holy spirit says, "When you get to the light, you don't go through it, go to the right, and take the longer route to go to your house." Well, when I got to the light, instead of, doing what the Holy Ghost had suggested, what it had to told me to do, I went right through it.

I went as far as the next light, before I heard a bang, and I was spinning, because a truck had hit me from behind. I was in a borrowed car. It was totaled, Sid, and I was terrified, more for the car than for my own life. And while I'm standing, the police arrive and they find the guy who hit my car, did not even have a driver's license, no insurance. So, I had to repair this car by myself. And then the Holy Spirit says to me at that moment, "When I put an order on you not to go through, you better listen to what I'm saying." That became the seed, God would use to excite, this entire revelation on issuing divine restraining orders from the courts of heaven.

SID: I hear there have been many that have been teaching on the going to the courtrooms of heaven, but, one of, the most famous men that has taught on this, he heard your revelation and what did he say?

FRANCIS: Oh, Robert Henderson, who was in my church, and, because I had the revelation, I said, "I want to test it in front of Robert." I said, "Robert, I'm going to test it in front of you, because you're one of the fathers of the courtroom revelation. He said, "Okay, let me listen to it." When he heard me teach on issuing divine restraining orders, he says, "Oh my God, I've never heard this before and nobody is talking about this side, of the judicial government of God, and so he got me in touch with my publishers, Destiny Image, and that's how we got the book out.

SID: Now, explain to me what, a divine restraining order is.

FRANCIS: A divine, restraining order is a, restraining or protective order, that is issued, by the courts of heaven, to protect, a person of destiny, institution, business, or nation, in situations, involving, clear, and present danger, to the preordained purposes of God.

SID: And, once you get this restraining order, who enforces it?

FRANCIS: This is the power of restraining orders. This is why the devil is terrified of the body of Christ, Sid, understanding the revelation of restraining orders. It's because even in the natural realm, one of the judicial orders that's more sought after in the United States, by statistics, is restraining orders. Why? Because when a restraining order is issued by the judge, the judge and the court are now responsible for its enforcement. So, when our heavenly Father, who is a righteous judge, therefore gives you a restraining order, the devil is in trouble, because now the heavenly Father, as the righteous judge, he has to enforce the restraining order. Not the person it's protecting.

SID: So the enforcer, is, not the police department, but God.

FRANCIS: God himself.

SID: I like that. Give me a biblical, example, of, a restraining order.

FRANCIS: One of them is, your people, Sid, the Jewish people. They're coming, out of Egypt because God has told them to go to the Promised Land.

SID: Right.

FRANCIS: And then they come across, the Moabites. And there is, King Balak, who wants to curse them, because he is afraid Israel might take his property, and he goes to a witch by the name of Balaam, to try to curse them, and then an angel, appears and puts a restraining order on Balaam and tells him, "You can never curse Israel," and he couldn't curse them.

SID: Okay. I, think it, says, "You can't curse, who I have blessed." I like that.

FRANCIS: Hallelujah.

SID: Explain this principle of divine restraint.

FRANCIS: Oh yeah, that's a big one. When I was writing the book, the Lord spoke to me. He said, "Francis, there is no way for me to give anybody true godly authority, without putting them under restraining principle." Because the bottom line is this, God can never use a man or woman He cannot restrain.

And God said to me, "This is why I put the tree of the knowledge of good and evil in the garden of Eden, is because I needed to give Adam and Eve, legitimate authority over the animal kingdom, over the fowl of the air, over the earth. But authority, as, a matter, can never exist without the restraining principle.

So, I put one tree. Every tree they could eat from, except one tree. So that tree they could not eat from—was the only tree giving them authority over the garden. The moment they touched it, they lost authority, because in the kingdom Godly authority ends when the restraining principle protecting it, is broken.

SID: Give me some biblical examples.

FRANCIS: Oh, there are some powerful biblical examples. One of them is Samson. Samson was told by God, that "You're going to have supernatural power over the Philistines, provided you do not cut your hair." That was the restraining principle upon his life. Well, he met Delilah and decided the girl was more important than the restraining order.

So he told her the secret of why he was supernaturally used by God, and, you know what she did? She cut his hair, overnight, and then called for the Philistines, and you know what happened

to Samson. He was little, his eyes were gouged out, and he became a public spectacle because he broke the restraining principle God put upon his authority.

We find that with King Saul, he was not supposed, in Israel as coming from the tribe of Benjamin, it was not his place to offer an offering to the Lord, that was for the priests of Levi to do that.

FRANCIS: Samuel told him, "Wait for me," but he couldn't do it, and so he offered, as though he was a priest. So by breaking that restraining order, Samuel said, "You are a fool because now your kingdom has been taken away from you." That's how he lost the kingdom.

SID: You know, as people get the richness of your teaching, into them, and start operating, in these divine restraining orders. No wonder it's the devil's worst nightmare. Tell me about the Delilah spirit.

FRANCIS: A Delilah spirit is a spirit Satan uses to incite into your life if you are cutting anything of substance for the kingdom. Because the purpose of the Delilah spirit is to find the key to your consecration, and break it, because once it's broken, the Delilah spirit knows God cannot use people he cannot restrain.

SID: Give me some, of the purposes of divine restraining orders, some of the areas.

FRANCIS: Yes. Some of the areas divine restraining orders cover is, you know, restraining, is protecting territory. There's also divine restraining orders, for restraining ungodly, violent behavior. And in the days we are living in with mass shootings, boy, do we need that restraining order.

FRANCIS: And then there is restraining orders, for restraining storms, and hurricanes, these forces of nature from destroying God's property. And then there are divine restraining orders that restrain God's servants, who have got a high calling, so that you can't behave like anybody else, because you are cutting a heavy weight for the kingdom. And then there are divine restraining orders that are designed, to restrain Satan himself. So there are multiple uses of restraining orders.

SID: I'll tell you what, Dr. Myles, will pray for you, in the Courts of Heaven, next, when we return.

SID: I've got two parts of me. One part, is interested in the visible world. The other part is God's blessed me, I've a very logical brain. So I want from a logical viewpoint, what's the first thing we have to do to get a divine restraining order?

FRANCIS: The first thing we have to do, Sid, to get a divine restraining order from the righteous judge, is to repent. Absolutely, to repent.

SID: I don't even hear that word anymore.

FRANCIS: Well listen, there are people now are teaching, who are saying that under grace, we don't have to repent. I think, that's really the morning strategy, to rob our authority from coming before the court of heaven. Because, Sid, the word repentance, simply means to be in right standing. It literally means to turn back, and come into alignment with the governing authority.

How can we come before God, asking him to restrain the devil when we are not restrained?

FRANCIS: That's illegal, right? The devil can argue, against us in the court of heaven and say, "Lord, why would they restrain me? Why would they come in to restrain me, when they won't listen to you?"

So repentance, allows us to come before God and say, "God, as I come to ask for something I really need for you to do for me, Lord, I realize, that there are areas where I have broken your word, where I have not walked like you, and thank God the blood of Jesus was shed for just things like that." You want to be in a right place when you're asking, there is nothing in the court, where the enemy can contest, what you are trying to request from the court.

SID: Tell me about the woman in your church, that needed a divine restraining order.

FRANCIS: Oh, my church is very multiracial. This is one of my Caucasian, members. She came to my office, on a Sunday morning, Sid, the worship was going, I could hear in the background, but she wanted to see me. Her eyes were bloodshot, and I realized, I said, "Oh, well what happened to you?" She said, "I've been crying all night." She said to me, "I can't live like this." And then just, tears began to come out.

And then she said, "Well, I used to have a good marriage until one day I found my husband was cheating, in our matrimonial bed, with a woman half of his age. Devastated me. He ran out with this woman." She says, "But, I was getting healed from it, but the problem is, we've got two children together," and she says, "Dr. Myles, every time he comes to pick the children so he can spend time with them, he comes with the woman, that broke my marriage. It's like flaunting it in my face. And then, sometimes he's very verbally abusive to me, in front of the girl, that destroyed my marriage."

And she cries, "I'm a child of God. I can't be treated like this, I'm not trash. God help me." I could see her, what the point of breaking down, and in that moment the Holy spirit said to her, "Ask her, tell her to ask her, does she want a restraining order."

So I said to her, I say, "Sister, do you want a restraining order?" She thought, I'm talking about going to natural courts. She reacts, she says, "No, I would like to get one, but I don't have the money, to take longer to go through, I don't have an attorney." I said, "I'm not talking about natural restraining orders. He says, "As you are talking to me, your heavenly father has heard your cry, and is asking me, "Do you want me, to bring you before him, to get the divine restraining order against this man's behavior?"

She said, "You mean God issues restraining orders?" I said, "Of course. He's the righteous judge. He's the first judge." She said, "Let's do it." So I said, "What do you want?" She said, "I want him to stop insulting me." She said, "I want him to stop coming to collect the children with this woman who broke our marriage. And thirdly, the kids have been begging, to go and see my grandparents, who live in another state. Every time I beg him, to take my children there, he's promised me, he'll go to the Phoenix police department, and, file, kidnapping charges. So, the kids can't even go and see their grandparents. I need those three things."

So we went before the court of heaven, and we asked for a restraining order against this man, in those areas. Sid, it's less than 48 hours. The man calls her, and is crying on the phone. He says, "I do not know why I've treated you so miserably. You don't deserve it... You didn't break the covenant, I did.

I did.

FRANCIS: He said, "Listen, I want to make amends."

I want to make amends.

FRANCIS: And he said, "Here is what I'm going to do." And he begins to spew out, what was in the divine restraining order.

FRANCIS: He says, "I promise you, whenever I come to take the children now, I will not bring this woman with me. She will remain behind, I've already told her, you don't deserve to relive the affair. Number two, I am so sorry for the verbally abusive I've been towards you. I am, sorely. I'll never do it again." He says, "Number three, you've been trying to take the children out of state. You have my permission to take them out of state.

Less than 48 hours.

SID: In the book you talk about a man, from Germany, leaves his wife, his daughter, goes to another country. Tell me about that restraining order.

FRANCIS: Yes, there's, a woman, who hears about me, teaching. I was doing an online Bible study on, Issuing Divine Restraining Orders from the Courts of Heaven, and she happened to, logging into the core from Germany. As soon as she heard me teach on restraining orders, she began to cry. She realized this was the missing link. She had tried everything, Sid. Her husband had left, overnight, without even telling her. She came home to a note, that told her, "I'm done with the marriage." And, he left her and the daughter and went to another European country, and

then a couple months later, the proceeding for divorce, began to happen, within the German court systems. For a year she has not heard from him, she didn't even know where he is.

But when she, went before, to the mass, I followed by the Holy spirit, to go before the court, by myself, using the little I had about who you taught me, and I asked my heavenly father, the righteous judge, for a restraining order against a spirit, that is behind my husband not wanting to be, the King and the prophet and the priest of our family.

She said, "Within 24 hours, he has not called me in almost 12 months. He calls me and he's crying on the other side of the phone." He said, to the wife, "I'm so sorry. I abandoned you. If it's okay with you, if you can still have me, I want to come back for you, because I really want to become the husband I should have been. I am so sorry." She said, "Please come." Right now, he's in Germany, it's like they're having a honeymoon again. The man is, everything a husband should be.

SID: One of the, so helpful things, in your book beyond, someone has to read it, to get this revelation deep within them. The teaching. Because the teaching is revelation itself.

FRANCIS: That's right.

SID: But, then you have, 18 prayers for 18 different things that people, may need restraining orders for. Tell me some of those prayers. What do they cover?

FRANCIS: Oh my God, we've got a prayer, for releasing divine restraining orders, against premature death. And, then we've got a prayer against, restraining witchcraft. We've got a prayer, for restraining the spirit of terrorism. We've got prayers for, restraining covenant, marriage breakers. This thing is loaded and what we have done, is, I wanted to make sure, Sid, that people's journey to the court of heaven, is successful. That was important to me, because I know God does not bend, at the whim, of human emotion. God is God, and God always wants what he wants. You can't manipulate God by emotion, but you can move Him by the word.

So we made sure that the prayers were, for lack of a better word, foolproof, that they are written in such a way that when you go to the court of heaven, it won't be a journey in vain. When you come back, the restraining order will be issued. And that's why people are getting these answers to prayer, just like that.

SID: I want to pray, that your start, would be to have every one of your sins, washed away. I want you to say this prayer. I want this to be a new beginning for you, but I want you to have your own encounter with God. I want you to open the door, with your own mouth, repeat this prayer, and mean it, to the best of your knowledge. Repeat this after me. Dear God.

Audience: Dear God.

SID: I've committed many sins.

Audience: I've committed many sins.
