

*Hello, Sid Roth here. Welcome to my world, where it's naturally supernatural. My guest operates under the same shaft of heavenly light or portal that Jesus walked under. He says it's available to all believers now. Interested?*

*Sid Roth has spent over 40 years researching the strange world of the supernatural. Join Sid for this edition of **It's Supernatural!***

**SID:** Jerame Nelson, I want you to explain what is this shaft of light, this portal that Jesus walked under? Explain it.

**JERAME:** Yeah. In Matthew 16:17-19, Peter had just confessed that Jesus was the Messiah. Jesus tells Peter, he says, "Upon this confession, upon this rock, I'm going to build my church and the gates of hell will not prevail against it, because I've given you the keys of the kingdom, that whatever you bind on earth will be bound in heaven, whatever you loose on earth, will be loosed in heaven."

Sid, what that is talking about, is through intimacy with God and revelation that comes from him, we have the ability to shut the doors of heaven on darkness and to open up the portals or the gateways for heaven to invade earth.

**SID:** As best you can, tell me what a portal looks like, feels like.

**JERAME:** Yeah. Basically, if you look at Matthew chapter 3:16-17, it's where Jesus is baptized by John on the river. It's the greatest example, because it says that as Jesus came up out of the waters of the Jordan, it says the heavens were opened unto him. It says that the spirit of God descended upon him in the form of a dove, rest and remained on his life. It says that God the Father began to speak his approval and his love over Jesus.

It was from that moment on that Jesus was activated. He began to move in miracles. He began to move in signs, wonders. He began to hear the voice of God and have encounters in the supernatural. When you receive the baptism of the Holy Ghost, the heavens will open over your life and all of those different things will be activated.

**SID:** Now, this portal, a light you've seen at meetings, tell me about the meeting in Peru.

**JERAME:** Yeah. We were actually doing a large healing campaign with tens of thousands of people. I was ministering on the stage and I got to the very end, where we started releasing miracles. All of a sudden, a shaft of light, people could see it, it came down. It overshadowed this little boy that was on the right-hand side. This little boy was born with cerebral palsy. When that shaft of light hit him, he was instantly healed of all of the effects of cerebral palsy. He was able to walk and talk and move normally. His mother, she freaked out because even his features changed in his face and his body. It was a crazy creative miracle.

**SID:** Let's take a look at what this portal looks like.

**JERAME:** If you just got set free [foreign language] from an evil spirit. [inaudible].

**SID:** Now, how would you like to walk, under an open heaven? If there was only a how to book on how to walk under an open heaven, a portal from heaven. Jerame, that's your new book.

**JERAME:** That's right.

**SID:** Tell us about it.

**JERAME:** Yeah. I believe that it's God's will that everyone would walk under an open heaven. That's why I wrote the book. I believe that just like Jesus saw the heavens open over his life and the manifestation of the kingdom was in his life, it will be in yours too.

**SID:** You were given supernaturally certain keys. Tell us a few of them, how you even got them.

**JERAME:** Several years ago, I had an angelic visitation, and I was given a set of keys. As I got those keys, one of them was a key that said Isaiah 22:22 on it. As I began to look at that in the word, I discovered that through intimacy with Jesus, we could hear God's voice and we could see the heavens open and the manifestation of his glory come to the earth.

What's interesting is that if you look at Revelation 3:7, the glorified Jesus has the key of David in his hands. If we want to see keys that'll open up and shut, then we need to go to Jesus and out of that place of intimacy, when he speaks, we'll see the manifestation happen.

**SID:** You made the point earlier, it's for everyone.

**JERAME:** It's for everyone.

**SID:** It's not just you.

**JERAME:** That's right.

**SID:** It's for you. It's for everyone. You have been in a move of a portal of God, a revival for five years.

**JERAME:** Yes, sir. Over 150 nations have come out. I mean, people have visited from all over the United States. Every state in America has been represented and we've seen thousands of miracles. We've even seen in our healing campaigns, since that time, traveling around, over a half a million decisions for Christ. Every miracle you could think of has happened. It's been amazing.

**SID:** You actually, you go even further. He says every one of us that is a believer in the Messiah has a right to live under an open heaven.

**JERAME:** That's right. Yeah. John chapter one, when Jesus encounters Nathanael, it's very interesting. Phillip introduces Nathanael to Jesus, and when Jesus sees him, he says, "There's an Israelite without guile." He says, "I saw you when you're under the fig tree," to Nathanael. Nathanael says, "Wow, you really are the Messiah." Jesus says to Nathaniel, "You believe I'm

the Messiah just because I gave you one word of knowledge?" He said, "Just wait, hereafter you're going to see the heavens open and the angels of God ascending and descending upon the son of man." Really what I believe he was saying is, "You think that's impressive, Nathanael, wait till I die on the cross and I raise again from the dead and I make my home in your heart and in believer's hearts, and the angels of God ascend and descend upon every person."

**SID:** Jesus himself prayed for people. At your meeting? Jesus prayed at his meeting.

**JERAME:** I remember being in a meeting and oftentimes I'll move in words of knowledge, I'll get supernatural information for people. I got a word of knowledge that there was a woman in the meeting that two years ago had been in a car accident and hit her face on the windshield and had brain damage. As a result [she] needed a miracle and so I called it out. A woman came forward, sure enough, she had been in the car accident two years before. Brain damage, had metal rods in her back and her legs and I went to go lay hands on her, and as soon as I went to go lay hands on her, all of a sudden, in an open vision, I saw Jesus appear right beside her. He looked at me and he said, "This one's mine." He laid hands on her and when he laid hands on her, God did a creative miracle in her brain.

Even, it was in front of 1,500 people, she actually ran for the first time in two years. It was impossible for her to do, because of the metal rods that were in her body, but also her motor skill functions. There was paralysis, there was things going on because of the crash. But when Jesus laid hands on her, she was instantly healed of all of it.

**SID:** I read the Bible, you read the Bible, you read the Bible, but many of the things that are happening to you. There is strong—or Jesus said, "You'll do the same works I've done and even greater, are even greater." I mean, some of the things, but are you just a special person? I know you said it's for everyone, but are you just a special person that walks in these, this amazing open heaven? Is it really for everyone?

**JERAME:** Well, I believe it's for everybody who's hungry. If you're willing to push in and you're willing press into his presence and allow God to form his identity in you, he's called us to be sons and daughters of God. He's called us to be disciples. As we live that out, then he has no problem with putting his power on your life, putting his glory in your life and allowing you to see the supernatural.

In fact, we just saw something really crazy about five months ago. I was driving home from the Fire and Glory outpouring and as I was going home, I drove through a normal stoplight and a drunk driver ran the red light going about 50 miles an hour.

**SID:** Wow.

**JERAME:** I actually looked over like this. I could see his headlights coming at my door and I just yelled, "Jesus." When I did, the car went right through my car physically. I looked in the rear view mirror and it almost hit the guy behind me, but that guy swerved out of the way. I was so shook. After that I said, "God, what was that?" He said, "That was me saving you because you have way too many souls to win in your calling."

I said, "Well, where's that at in the Bible?" He said, "Jerame, remember when they took Jesus by the scruff of his neck to throw him off the pinnacle of the cliff and he said that he just walked right through them?" He said, "I caused that car to go through you, because I still have a calling on your life." I'm telling, he said if you have a calling and you are fulfilling that calling God will protect the anointing of God on your life at all costs.

**SID:** Could you catch that? He did one thing that caused something in the invisible world to be activated, to save his life. He only did one thing. Do you know what he did? He cried out the name Jesus.

**JERAME:** That's right.

**SID:** Now, Jerame will teach you the major key in his life that released God's presence, and it's available to you. Be right back.

*We now return to **It's Supernatural**.*

**SID:** I've been to many Resurrection Sunday services, but guess what? When Jerame had a Resurrection Sunday, people that died came back to life. What happened?

**JERAME:** Yeah. We were doing a Resurrection Sunday service at the revival and God had spoke to me right before the service, and he said, "I want you the week before to declare that power is going to come to raise the dead and that even if someone died, bring the dead." I'll never forget because I was really excited and I was halfway terrified because I thought, "Wow, what if someone brings a dead person? Long story short, we get to the service. No one brought anybody that was dead. Then I was disappointed and at the very end of the meeting, I decided, "Well, you know what? We're going to pray resurrection over everything we can. Finances, people's bodies, whatever." I said, "If you have a need, just write it down on a card and bring it up."

This lady came up with a card and she actually had a letter. She said, "I want you to pray for my friend in Egypt." Well, she forgot to tell me an important fact that she had died just that day before. I said to her, "Well, let's pray. I release resurrection power and we command this dead situation to come to life." What was amazing is that in Egypt, this woman rose from the dead. Right when we made the decree.

**SID:** You had something else go on. You had a woman from Lithuania that came because she heard about the move of God. What happened with her?

**JERAME:** That's right. One of the things about revival or even walking in living under an open heaven is that it's tangible. It's impartable. I want to encourage the ones that are watching, you

can catch the anointing. This girl came from Lithuania, stayed in San Diego for about two months, living under that open heaven.

Then when she went home to Lithuania, she thought to herself, "Well, what did I get? You know, did I get the anointing like Jerame and Miranda have or like what's going on there?" Then she woke up and God said, "Go into the alley." She went into the alley and there was a man that was dead. She just walked up to him, didn't really know what to do, but just said, "In Jesus name, I command you to live," and the man raised from the dead.

**SID:** In that, Jerame has been given certain keys from heaven. One key, most of us know about, but we haven't experienced to the degree that it's available. This is the catalyst for almost everything. Spiritual hunger. Comment on that.

**JERAME:** I was in Seoul, Korea, ministering to around 2000 hungry Koreans and God gave me a dream. In that dream, he told me that hunger is a currency of heaven. He said to me that when people pray and when they push in, it creates a vacuum for heaven to invade earth. It opens up the heavens. I'll never forget, in the first night of those meetings with those Koreans, there was 2000 of them and when they introduced me to speak, they said, "We want to do something real quick before you speak." Every person pointed their hand towards me, and they all prayed for 10 minutes. All of a sudden, the heavens opened, Sid.

I'm telling you 13 deaf ears in a row opened in that meeting. A woman paralyzed on a mat in the back of the meeting, that had been paralyzed since a child, all of the bones begin to crack, and she jumped up. She ran to the front. It was one of the craziest outbreaks of miracles that I've seen to date. It was all because of that key of hunger, their hunger opened it up when they began to pray.

I want to encourage those of you, your prayers open the heavens. When you begin to intercede, when you begin to push in, it causes heaven to open even more than maybe it was before. We can increase an open heaven by intercession and prayer and hunger.

**SID:** Another key that Jerame talks about is the key to think big, give me an example in Malawi.

**JERAME:** Yeah. We were in Malawi, Africa about a year ago, and I was ministering in a large healing campaign. We had about [crosstalk] 70,000 people that night. What's interesting is when you go to Africa, there's a lot of witchcraft. There's witch doctors, there's sorcery, there's all this different stuff in the dark supernatural. The Lord spoke to me that night and he said, "Jerame, one of the greatest keys to breaking the powers of darkness and opening the heavens over regions of darkness is the blood of Jesus."

He said this, he said, "Jerame, the blood speaks a better word." He said, "If you're willing to plead the blood of Jesus over this meeting," he said, "I will destroy every curse of witchcraft. I will destroy sickness off of people's bodies, and then I'll release my fire." I did, I stood up and I even told the witchdoctors, I said, "Listen, I want every witch doctor that can hear the sound of my voice," there was actually about 30 or 40 of them in the back with their sticks, and I said, "I want you to hear this, you know the power of blood sacrifice, but here's the deal. The power is in

the purity of the sacrifice." I said, Jesus Christ is the perfect lamb with the purest sacrifice there is, therefore we cancel out your power of the curses you've released through the sacrifices that you've released of animals and we release miracle power."

I'm telling you, demons came out of people by the masses and at the end, I said to everybody, I said, "Who here either saw or physically felt a demonic spirit leave them?" I'm telling you over 30,000 people waved their hands. [crosstalk] If that's not crazy enough, then the Lord said, "Now release the fire." [crosstalk] He said, everyone that gets saved gets the baptism of the Holy Ghost tonight. We released the baptism of the fire of the Holy Ghost that night. It was amazing, Sid. Over 30,000 people waved in testifying to receiving a supernatural language, right after being delivered of the demonic.

**SID:** You believe everything in the Bible, but this is off the charts. Tell me about that meeting you went to in a stadium where you were really supernaturally transported.

**JERAME:** I was involved in a stadium event on God TV, and they told me do not be late to the meeting. "You have to be there at this time to open the meeting up and introduce the speakers." I went to a restaurant. Well, here's the problem, Sid, is that this stadium could hold probably 5-6,000 people, but about 10,000 people showed up.

I found myself on the way back to the stadium, behind about two miles of traffic. It was like 6:54 and I told my driver, just drive over the median and take the first exit you can. He drove over the median, took the first exit he can and then all of a sudden we were at the back of the stadium and I thought, "Wow, we must have found a secret entrance," and I jumped out and threw my jacket on, ran in the door, grabbed the microphone and it was like go time.

7:00, went onstage, opened up the meeting for the worship and as soon as I got done, I walked to the pastor that helped organize and I said, thank God I found the secret entrance in the back. We got through all the traffic." He said to me, there's no secret entrance, he opened the back doors and it was nothing but woods. We got supernaturally transported and what God told me was this, he said, "Son," he said, "I'll move heaven and earth to get you to the right place at the right time."

**SID:** There wasn't even a road there. It was just woods.

**JERAME:** Yep, we were supernaturally transported right to the meeting. Here's the deal, Jesus wants to activate you in the supernatural. He wants to activate you in the presence. Then I want to talk to you about the greatest key and that's the key of intimacy in his presence.

Every single day I pray a prayer. Before I read the word of God, before I spend time with God, it's out of Ephesians chapter 1:17-19. Here's what happened is, Paul prayed for the church of Ephesus to receive the spirit of wisdom and revelation in the knowledge of God, the Father. Then it says that he prayed that the eyes of their heart would be enlightened, that they would know the hope of Jesus, and they would know their inheritance in him.

Every single day, when I pray, I pray that prayer, "Lord, I ask you to open the eyes of my heart, that I would see your word the way you see it. I ask you to open the eyes of my spirit, that I

would see people the way you see things." When I do that, it's opened up the realm of hearing his voice with clarity.

**SID:** I want you to pray over everyone for spiritual hunger and for the fire and the glory.

**JERAME:** Father, I just thank you for those that are watching right now and Lord, I pray you'd fill their homes with your presence, God. Lord, we do, we release the fire and the glory of God. We ask, God, that you would activate people to see, to hear, to know you more. That father you'd open the heavens over their lives and over their families. Yeah, Lord, we thank you right now for those that are watching this program and we ask God that you would release the fire and the glory of your presence and father.

I thank you Lord, for a tangible anointing that opens the heavens God, over every single person's lives, that Lord, people will begin to hear from heaven, that people will begin to see in the spirit, that Lord, that anointing of revival that we are carrying at Fire and Glory would be imparted and activated now. Father, I thank you Lord right now and I pray that you would release an insatiable hunger to your people, God.

That Lord, they would seek your heart, they would seek your face and Lord, I pray right now that you'd release the anointing of Fire and Glory, that God you'd open up the heavens over people's lives. Lord, right now we release an activation to encounter your love and to walk intimately with you in the spirit in Jesus' name.
