

Hello, I'm Cindy Jacobs. Today I'd like to tell you about an important end time message. The church needs to know our authority now more than ever. And my good friend, Isaac Pitre, has written a powerful new book called *Take Back Your Authority*.

Hello, Sid Roth here. Welcome to my world where it's naturally supernatural. The devil has loosed weapons of mass destruction on you, your family, and your world. My guest has an urgent word the devil does not want you to know. It's the reason you've been under attack. Enough is enough. This is a game changer, next.

Sid Roth has spent over 40 years researching the strange world of the supernatural. Join Sid for this edition of It's Supernatural!

Sid Roth: Welcome, welcome Holy Spirit. If you weren't here I wouldn't want to even be doing this show. For 30 years when my guest, Isaac Pitre, teaches this revelation, healings and miracles explode. Isaac accepted the Messiah at 18. He heard the voice of God. Tell me about it.

Isaac Pitre: Oh, at 18 I had gotten into a situation early and a young lady actually got pregnant, decided to have an abortion and I was relieved because at a young age what in the world am I going to do? And oh my God! So I was sitting on my couch-

Sid Roth: How'd that happen? Because at 13 you were called to preach.

Isaac Pitre: Well, but I didn't start preaching until I was 21.

Sid Roth: Okay, I see.

Isaac Pitre: I ran from the call until I was 21. I was sitting on the couch and I was just like, "Whew, I'm glad that's over." And the first time in my life I heard the voice of the Lord and he said these words to me, "Son, you've gone too far." He says, "Have you now moved into the place where you are satisfied with murder?" It was the first time I'd ever thought that. And it so reverberated in my spirit, it convicted me immediately. I went from zero conviction to the fear of Almighty God just like that. And at 18 I said, "Lord, if you are real, change me." And at that moment something happened, which I know now, I was born again.

Sid Roth: Tell me about this very strange vision you had of a book.

Isaac Pitre: I was praying one night, and we had one of these big old Bibles back in the day all in tatters. Cover was off, pages were missing, but it was still at the bottom of the bookshelf. And one night I was praying and the Spirit of Lord spoke to me and said, "Do you see that Bible?" And I said, "Yes, Lord." He says, "You see how pages are missing, chapters are missing. The cover is off of it." He says, "From this night forward, I have called you to the Word of God and you will bring back things that have been left out, that have been taken out and that have no longer been preached. There are certain things I'm going to anoint you to put back in my Word that has been taken out." And I received my call to ministry off that vision.

Sid Roth: What is garden theology?

Isaac Pitre: In the book, I started the very first chapter talking about a garden theology because one of the things that he revealed to me is that if I didn't understand Eden, I couldn't understand Calvary because everything that happened in that garden is what the cross was about. In Genesis chapter number one, we see God rearranging the earth back into divine order. He calls everything out of the darkness, out of the chaos and rearranges it back in divine order. And then he says, "But I have a problem. I've got this backsliding angel in this realm and I need somebody that I can put over this realm to make sure that the divine order that I've just rearranged the planet in, it stays in this order."

And the answer that God came up with for keeping divine order in the earth was let us make man, which means man is about to become the answer for all disorder, all demonic activity. And the horror that the enemy had to experience while he watched God go to the dust of the ground, form man from the dust, breathe into his nostrils the breath of life and he become a living soul.

And then God say, "Now he's in my image. He's after my likeness and now he has my dominion." And those were the things that were lost when Adam ate of that tree. But then on another tree, we got back our image, likeness and dominion. And so the work of the cross is to restore everything that was lost in the garden, which makes me know the reason the enemy hates us is not because of anything religious or not because of anything spiritual. He hates us because we are everything he ever wanted to be. We have everything he ever wanted. He wanted to be like God.

Sid Roth: So he keeps us ignorant.

Isaac Pitre: Absolutely. And this is why we got to get the word out that we were created to be his master. And when God created us, He told the enemy, "Just like you had to obey me in heaven. Now, you've got to obey him in the earth. And we are the masters of the realm of the spirit." Oh my God, I'm getting excited.

Sid Roth: You teach many things in your book on how to take back your authority that's been stolen. Explain one or two highlights.

Isaac Pitre: Well, the Bible declares how salvation is not complete when I just change my spiritual condition. Salvation is not complete also until I get back my spiritual position. So until my condition and position are restored, I'm not walking into the fullness of what Jesus died for me to have. And my position is the authority that comes with us. And so the Bible says that we ought to get a revelation of what is the exceeding greatness of his power, which he worked in Christ when he raised him from the dead and seated him at the right hand of the Father, far above all principality, power, might, dominion in every name that is name.

Now that would be good enough if he just did that to Jesus. But then it says in Ephesians 2:6, "And he raised us up together with him and seated us in heavenly places and says, the authority that I possess, I made you an heir and a joint heir." And so the last dimension that we are moving into in the church is not just death, burial, resurrection, but ascension because that's when we take our place and be seated in heavenly places and rule in the real mother spirit like we were created to do.

Sid Roth: What do you mean by patrol and control heavenly places?

Isaac Pitre: We carry the same spiritual rank as Jesus. This is what it means when it says he seated us in heavenly places. It is your spirit that received this rank of authority over all principalities and powers. Now the reason he did that is because it takes spiritual beings to deal with spiritual beings. And so when we were born again and he gives us this authority, in the realm of the spirit is where this authority is recognized to the degree that in Acts 19, remember Paul's handkerchiefs and aprons, he's casting out devils just by the handkerchiefs being laid on people. But then Paul would speak and say in the name of Jesus, he would exercise certain devils. A certain Jewish priest is watching all of this and they say, "I believe we got the formula." He's saying in the name of Jesus, come out. So they thought they could do it because they thought it was a formula.

And so they take it upon themselves. This talks about how much authority we have in the heavens. And the Bible declares, they say, "In the name of Jesus, they come to the demon possessed man and say, come out. And the demon possessed man saith, Jesus, I know. Paul, I know, but who are you?" In other words, you are saying the name, but you're not in the name. You're not authorized to speak, which means if they know Jesus and they know Paul, they know me too and they know our authority, which means when we do spiritual warfare, it is not like physical combat. Spiritual warfare is done with authority, not with combat. It is done with words. Our words are our weapons.

Sid Roth: Tell me about the man who was frozen.

Isaac Pitre: Oh, now that was supernatural, as you say, naturally supernatural. Now I was preaching and this man, he had to have some type of mental illness, demonic possession, and I'm up preaching and he just runs off the street and he just busts in the church and starts screaming and coming down the aisle before I could even have a thought in my mind. I didn't call for security or ushers. I was standing and preaching and I shouted at the top of my voice, "Stop right where you at and be still." And the man dropped right in the middle of the aisle and froze.

Sid Roth: Froze?

Isaac Pitre: Froze. And at that moment, I get cocky in the spirit. I went right on back to preaching and left him right there in the middle of the aisle froze. And I finished my sermon and then he did not move for the next 20 minutes. Then I called up the elders to bring him forward and we ministered deliverance to him. And I saw the power of God take a man who was out of his mind and put him in his right mind.

Sid Roth: Give me one more example of a testimony.

Isaac Pitre: I could talk about the demon possessed girl, but there was a blind lady who came to a conference in Virginia and the spirit of God had been dealing with me about this authority. And he said something to me. He said, "Tonight, whoever comes to that altar, I don't want you to pray for the sick." He says, "I want you to heal the sick." And I said, "Wait a minute now Lord, how can I heal them?" He said, "You can't, but I can." He says, "I don't want you to pray about the situation, speak to it." And so I was getting ready for the service and I was like, "Okay, Lord."

But then there was this one lady who came up. She was weeping because she had her mother with her. And I go down, this is in front of the whole congregation and I say, "What's the matter with you?" She said, "I brought my mom tonight." I said, "What's the matter with you, mom?" She said, "I'm blind. I cannot see." And the spirit of Lord spoke to me in my spirit and said, "Do what I told you. Don't pray for

her, speak to her." And he gave me this phrase, "If you will release the authority, I'll release the ability, but I need you to release the authority because I've given you the authority."

And I stood there in faith trembling because I'm like, "Oh my God, this better work." And I'm standing there and I say, "In the authority of Jesus, I speak to your eyes and I command them to be open." And then I laid my hands on her and I said, "Spirit of God, I spoke the authority, you released the ability." And I lifted my hands off of her eyes in front of the whole congregation and I said, "Tell me what you see." She started weeping and said, "I see you." And I brought her up on stage, eyes instantly open, but authority did that.

See, a lot of situations we're asking God to help us in and He hears our cry. But He says, "I've given you authority. So I need you to bind on earth what I've bound in heaven." This is a word for somebody in a situation right now today. If you will release the authority in His name, in His authority, He will release the ability and the Holy Spirit is waiting on you to make an authoritative decree about your situation. And you are going to see it change.

Sid Roth: Several times God said, "I need you to do your part. I will do mine, but I need you to do your part." Many are not doing their part. They don't realize it's a strategic partnership between God and man. If you think you're losing the demonic battle with your spouse or children or health or income or ministry, when we return, Isaac will tell you about the new prophetic season and how to win every battle.

We now return to It's Supernatural!

Sid Roth: Tell me about this new prophetic season and how we are going to start winning every battle. I like that.

Isaac Pitre: We have to because Satan has declared all out war on this generation. And Matthew chapter number 12 talks about Jesus teaching about when an unclean spirit has gone out of a man, it walketh through dry places seeking rest. After finding no rest, it goes back, it says, "I will go back to the house from which I came." And he goes and he finds it empty, swept and put in order, but unoccupied. And he comes back with seven other spirits more wicked than him and they enter in. And then Jesus says something specific, He says, "And so shall it be to this wicked generation." And it dawned on me that he wasn't just talking about what happens to a person, He was talking about what happens to generations, that spirits come back in different generations where they find what I call a host generation, which means there are no strong men in that generation to push back against the enemy.

And so He waits for a weakened generation in order to come back in. And when you look at this generation, we are dealing not with anything new. We think a lot of these things that we're seeing in the perversion and the deception and the wickedness, this is nothing new. These spirits are as old as the Book of Genesis. They're just new to this generation because, and we have to get honest, somewhere, the enemy has found an opportune time to come back into this nation because of the spiritual weakness.

But the reason I wrote this book is because if the generation casted out the first time and it waited to come back for a generation to reenter, there's got to be another generation raised up to kicking right back out. And I believe we are going to be that generation. Never before am I seeing people that know their identity, their authority, and know what God has called them to do. And we are about to tell the enemy, "Not in our generation. We're not going to have it." And the Bible declares if we will do this, the gates of hell shall not prevail against the church. We are not going to play defense any longer. We are the people who are on the offensive. We are not sitting by waiting to see what the enemy is doing to us to respond and attack. We're going on the offensive and we're taking our families, our cities, our states and nations back.

Sid Roth: Now, we are in a generation that is going to turn around, this is the turnaround generation.

Isaac Pitre: Yes, it is.

Sid Roth: Let's start with you watching right now. Repeat this prayer after me, out loud, mean it to the best of your ability. Dear God.

Isaac Pitre: Dear God.

Sid Roth: Please forgive me for all of my sins.

Isaac Pitre: Please forgive me for all of my sins.

Sid Roth: I'm so sorry.

Isaac Pitre: I'm so sorry.

Sid Roth: I believe your blood.

Isaac Pitre: I believe your blood.

Sid Roth: Has washed them all away.

Isaac Pitre: Has washed them all away.

Sid Roth: And I'm clean before you.

Isaac Pitre: And I'm clean before you.

Sid Roth: Because of the blood of Jesus.

Isaac Pitre: Because of the blood of Jesus.

Sid Roth: And now that I'm clean.

Isaac Pitre: And now that I'm clean.

Sid Roth: Jesus, come and live inside of me.

Isaac Pitre: Jesus, come and live inside of me.

Sid Roth: I make you my savior.

Isaac Pitre: I make you my savior.

Sid Roth: And I make you my Lord.

Isaac Pitre: And I make you my Lord.

Sid Roth: Amen.

Isaac Pitre: Amen.

Sid Roth: There are people watching right now and they'll read your book and they'll learn how to operate in their authority. Use your authority right now over all sickness on these people.

Isaac Pitre: Yes. And while I am praying for you, I need you to speak this over yourself because you are in authority over your own life and when we come into agreement, we're going to believe the power of God to do what only the miraculous power of God can do. Father, in your name, we come as Peter when he said, "Silver and gold have I none, but such as I have, I give to you in the name, in the authority of Jesus." Yes, sure. I command you to be healed. I curse sickness and disease from the top of your head to the soles of your feet, your blood, your organs. I command bones and joints. I command the very healing virtue of God to flow in your body and I declare you will live and not die.

There's a woman watching me. You're in the east, you're up in the east coast area. I'm not getting this specific state. I want to say you're in Virginia, though I'm sensing, and you're watching me right now. You've been given a death sentence. You're sitting on the side of the bed right now in a gown. I see you. You are literally going to be watching this program. I see you in the spirit. I want you to know the word of the Lord to you is you will live and not die. Declare that right now out of your mouth and expect to see the salvation of the Lord concerning your health.

I also see a young boy that is tormented with demonic spirits. In the authority of Jesus' name, I declare you've actually just come back from the doctor of being diagnosed with a psychological disorder, you are set free right now in the authority of Jesus' name, wouldn't have showed it to me if he didn't want us to take authority over it. Release your faith and receive it right now. Your childhood will not be stolen from you. I command the soundness of your mind right now. Many people are being delivered from torment. For God has not given you the spirit of fear, but a power, love, and a sound mind. Receive it in the name of Jesus.
