### Welcome to the Family with a Jewish Heart!

In 1977, Sid Roth started Messianic Vision. Sid's heart's desire is to reach out with the good news of the Messiah, "to the Jew first" (Romans 1:16 KJV). This is not just God's historical order for spreading the gospel, but also His eternal spiritual order. When we follow this "law of evangelism," God opens a supernatural door to reach greater numbers of Gentiles. God's heart is to reach all people. His strategy is "to the Jew first."

### Yeshua (Jesus) creates "The One New Man" from Jews and Gentiles.

Jesus came to break down the wall of separation between Jew and Gentile. The Messiah was a Jew, and the first believers were Jews. But how did something that started so Jewish become the opposite of Jewishness? God's answer for restoration is the creation of the "One New Man" as stated in Ephesians 2:14-16. He wants to reconcile His "family" which has grown apart for centuries. When this happens, the stage is set for worldwide revival.

For He Himself is our peace, who has made both [Jews and Gentiles] one, and has broken down the middle wall of division...so as to create in Himself **one new man** from the two.... EPHESIANS 2:14-15 NKJV

# This has never happened before in history.

I just got an amazing 35th anniversary gift from the Lord. We have now received the funds to mail nearly **200,000 more copies** of my Jewish evangelistic book to Jewish people. That will give us a grand total of **1 million books mailed to 1 million Jewish families in North America!** This has never happened before in history!

Shortly after this good news, I got a call from our publisher who told me we have now printed and distributed over 2 million of these Jewish evangelistic books worldwide. Take a

look at the brand-new cover of *They Thought for Themselves*.

Then I got a call from a Yeshiva student (almost a rabbi) who came to the Lord through our book. He has now become a bold witness for the Lord and he asked me to help him get into Bible college.

As I look around our new Media and Mentoring Center, I am overwhelmed with the goodness of God. Our television facility uses the newest technology. Major secular networks are examining our studio to duplicate our advanced state-of-the-art control room, cameras and broadcast set up.

Then I just received

an email from a man who was at the top of the waiting list for a new kidney. He needed a transplant or he would die.

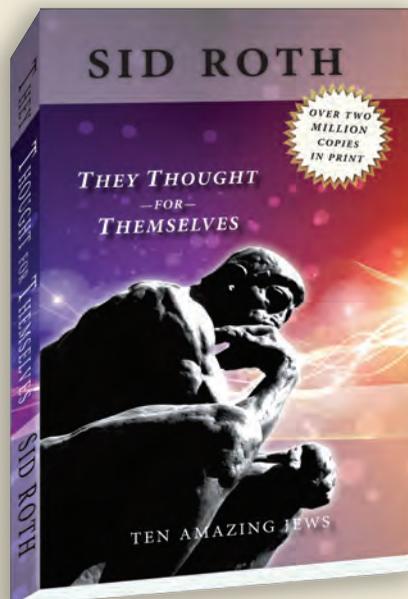

I had met him one day while I was out walking and prayed for him to get a new kidney. He was a total stranger and I never saw him again.

The email says that from the day I laid hands on him, his kidney test stopped its decline. He told the transplant people to give the next kidney to someone who needed it!

I believe this type of God encounter will become normal in **your** life.

And I know what will release these miracles. If you can walk in the God kind of love 24/7, this will activate **all** the promises of God.

# Reprogram your DNA. Change your world.

**A**fter 35 years of studying health and medicine, I have discovered that **nothing affects our health more than our feelings and emotions.** We often don't notice these negative feelings until they are triggered by circumstances. But did you ever consider that the feelings and bad reactions were trapped inside your body **before** the bad circumstance occurred?

These negative emotions are like the thorns that choke out the good seed in the Parable of the Sower. In order to see healing and breakthrough in every area of our lives, our hearts need to be transformed to believe God. We are double-minded in our heart because

result of hearing or believing things that are not true. In verse 4 he says "the weapons of our warfare are not carnal but mighty in God for pulling down strongholds." The word "weapons" could just as well have been translated as "tools." Paul says these "tools" are not based on the flesh, but they are mighty for the pulling down of strongholds.

These are not demonic strongholds. They are intellectual, cultural and religious strongholds. They are philosophical structures. And Paul says in verse 5 that with these tools, he's going to cast "down arguments [King James

## A sound mind makes for a

of these trapped emotions. Once we are single-minded, we will have faith for the impossible.

I have seen more people healed by praying the "prayer of transformation" included in this article and replacing negative thoughts and emotions with the truth of God's Word than anything else in 40 years of walking in the miraculous.

Paul tells us in 2 Corinthians 10:4-5 how to deal with the destructive thoughts and feelings that come to us as a

says 'imagination'] and every high thing that exalts itself against the knowledge of God, bringing every thought into captivity to the obedience of [Messiah]."

Bringing something captive to the obedience of Messiah means I'm going to make a determination: Does this argument or imagination or doctrine really line up with what Messiah accomplished through His obedience? If it doesn't, then I've got to totally reject it.

All of our destructive behavior is driven by some destructive feeling. The problem is, we either haven't identified that feeling, or we haven't understood how detrimental that feeling is.

There is a biblical principle that says "every seed bears after its own kind." If a negative feeling or thought drives me to speak words or take certain actions, the outcome of those actions will produce more of the negative feelings that started the whole process.

We can't be driven by negative feelings and expect to have healthy, positive outcomes. For example, many times we're moved by fear and we try to tell ourselves it's faith. We waver from one opinion to another because we don't keep our thoughts and feelings in harmony with the promises of God.

What's the answer? After all, in real life, it's very rare that you're going to be able to just stop everything when you encounter a negative feeling and go somewhere to a quiet place to

**All of our  
destructive behavior  
is driven by some  
destructive feeling.**

# a robust body, but runaway emotions corrode the bones

meditate and get in touch with your heart. We need a tool that we can use quickly whenever our feelings try to take us anywhere inconsistent with the Word of God.

I've written what I call the "prayer of transformation" to immediately stop the wavering process. The moment we recognize any negative thought or feeling, we've got to immediately interrupt it.

If you use this prayer, you have to be intentional about every part of it. Otherwise, it just becomes a religious exercise. Here's a real-life example of how to pray.

Let's say you're feeling overwhelmed. Our first tendency is to rationalize why we are feeling that way: "I've got so much work to do, so much pressure on me, and I'm under tight deadlines." But if you give in to that, even if you meet your goals, it's still going to end badly somewhere along the way, because every seed bears after its own kind. We must resist the tendency to justify the negative feelings and instead make a choice to get rid of them.

Here's how I would pray in that circumstance (prayer in bold type): **"Heavenly Father, search my heart and discover the origin of this feeling of being overwhelmed."**

Why do I want Him to discover the origin? Because I don't know if this feeling of being overwhelmed is really about how much work I have to do. I don't know if it's because this situation reminds me of a negative experience

from my past. I just want to give God permission to go to the very root of it. **"Go to the very root of my being, and resolve this origin in order to bring every aspect of my spirit, soul and**

**body into harmony with Your truth, and my true identify in Messiah."**

We're not trying to get God to do something that hasn't already been paid for. We're bringing this thought or feeling captive to

the obedience of Messiah. Jesus has already paid for my deliverance from feeling overwhelmed. Jesus has already paid for me to have the power to accomplish things, to have peace, and to have the mind of Messiah. My issue is, will I take hold of the power to make it work in my life?

Continue to pray. **"Search through every generation —"** Why every generation? Because we have learned that through cellular memories we pick up traits from our relatives going back several generations.

**"Search every generation, every cellular memory, and every action — because I've probably done things that have contributed to this — and every expression of this feeling of being overwhelmed. And heal me completely, according to the finished work of Jesus, until Your life, light, love, truth, righteousness, peace and joy empower me to completely forgive myself for every inappropriate expression... I have to forgive myself for every way I've given expression to my dysfunction ...for every distorted perception and every destructive behavior (and here's the clincher)**

and forgive every person, place or circumstance that has contributed to this feeling of being overwhelmed.

**"I choose to express my love for myself and my right, as a child of God, by allowing every mental, emotional, spiritual and physical disease, and inappropriate behavior based on this root problem recorded in my DNA, to be transformed."** It is my right as a child of God to exercise this authority. And I have to love myself enough to do this. I want to transform every inappropriate aspect of how this has been expressed in my life, and I really want this thing rooted out of my DNA, rooted out of who I am.

And then, I'm going to make a positive declaration: **"I choose being at peace and confident. I choose feeling at peace and confident. I am at peace and confident. It's done, it's finished, it's mine, by the resurrection of Jesus! And I thank You Holy Spirit for the grace to live in the fullness of my identity as a child of God, a new creation in Messiah. And I thank You Jehovah my Healer, Who is good and only good. You're my God, my strength, my hope, and my salvation."**

After you have prayed, express your personal love and appreciation to Him!

You might find yourself doing this more times a day than you can imagine. But I would rather deal with feelings of anger a hundred times a day for two weeks than to end up with cancer ten years from now. I would rather deal with my feelings of being overwhelmed than to always endure back pain. I know if I don't confront these negative feelings they will continually manifest in my life.

**We can't be driven by negative feelings and expect to have healthy, positive outcomes.**

Keep this sample prayer with you so that the moment you feel any kind of negative feeling that's inconsistent with the finished work of Jesus, you can immediately put a stop to it. You might have to do this often at first, but soon you will notice that the negative feelings are greatly reduced. Or even when the thought of them shows up, the feeling isn't there to drive your behavior. And then you will start noticing that sicknesses and diseases will begin to leave your body. Watch financial problems, employment problems

**Put off the old feelings and emotions and put on the truth of God's promises.**

and relationship problems begin to disappear.

I call this process, "putting off and putting on." Put off the old feelings and emotions and put on the truth of God's promises. Now you will be able to believe God's Word with

your whole heart.

Don't let your past rob you of your future! ☆

## The Prayer of Transformation

Heavenly Father search my heart and discover the origin of this (thought or feeling) of \_\_\_\_\_.  
Go to the very root of my being and resolve this origin in order to bring every aspect of my spirit, soul, and body into harmony with Your truth and my true identity in Messiah.

Search through every generation, every cellular memory, every action and every expression of this (thought or feeling) of \_\_\_\_\_.

Heal me completely according to the finished work of Jesus until Your life, light, love, truth, righteousness, peace, and joy empower me to completely forgive myself for every inappropriate expression, distorted perception, and destructive behavior, and forgive every person, place or circumstance that has contributed to this (thought or feeling) of \_\_\_\_\_.

I choose to express my love for myself and my right as a child of God by allowing every mental, emotional, spiritual and physical dis-ease and inappropriate behavior based on this root problem recorded in my DNA to be transformed.

I choose being \_\_\_\_\_.  
I choose feeling \_\_\_\_\_.  
I am \_\_\_\_\_.

It is done! It is finished; it is mine by the resurrection of Jesus!

Thank you, Holy Spirit for the grace to live in the fullness of my identity as child of God and a new creation in Messiah.

I give You thanks, Jehovah my Healer, Who is good and only good. You are my God, my strength, my hope and my salvation!

(Now express your personal love and appreciation to Him!)

#### Science is finally catching up to the Bible.

Dr. Jim Richards has three doctorate degrees and has studied health and alternative medicine from a biblical perspective for 35 years. He has discovered the biblical way to remove blockages that are preventing us from believing God with all our heart.

As I have listened to his 8-CD series, *Change Your Heart, Change Your World*, I have experienced freedom from layer after layer of trapped emotions. This series will change your life.

Dr. Richards has found that when people are set free from negative emotions and feelings, many receive healings they have sought after for years without success. This powerful 8-CD series is

available for a donation of \$40 or more (\$48 Canadian) code 9143. To order, please return the enclosed reply card, call 800-548-1918, or go online at [SidRoth.org/9143](http://SidRoth.org/9143).

# I want you to be under the same favor of God I walk under.

When I was a young Jewish believer, a prophet sang this song over me. I sing this prophetic song over you now in the spirit.

*You were chosen before the world began  
To be My servant.  
You were chosen before the world began  
To be My slave.  
You were chosen not by your choice but by Mine.  
You were chosen.  
You were chosen to bear My Name.  
You are gifted with a gift that comes from above.  
You are gifted with a gift of abundant love.  
You are chosen.  
You are chosen to bear My Name.*

I now see why God says in 1 Corinthians 14:1a (Amp.), “Eagerly pursue and seek to acquire [this] love [make it your aim, **your great quest**]...”

Did you know that this supernatural, miracle-working love of God is already alive in you? When you were born again, according to Romans 5:5

you received this gift. But this gift is in seed form and must grow. Did you know that faith for all God’s promises works by this gift? (Galatians 5:6).

The best way for this seed to grow is to meditate (mumble out loud) the

Word of God and then act on these promises. This is not **natural** love but **supernatural** love. You cannot walk in this God kind of love on your own. This is why I suggest you meditate on 1 Corinthians 13:4-8 three times a day. The enclosed bookmark will help. But even as the fruit is developed there are still obstacles that try to prevent us from believing God’s Word with **all** of our heart.

Dr. Jim Richards has identified these obstacles and teaches us how to be free. Once you are free, you can live in love, joy and peace. In other words, you

will be stress free. When you are stress free you can hear God’s voice and see every promise in God’s Word come to pass in your life. His teaching helps eliminate the static and fine-tunes your spirit into God’s frequency. I can’t wait to hear the reports once you are mentored with Jim’s eight teaching CDs entitled, *Change Your Heart, Change Your World*. It is truly the missing link to all God’s promises.

Shalom and Love,

Sid Israel Roth

P.S. When we raised the money to send one million Jewish evangelistic books we did not allow a margin to use for our other expenses. All your money went into souls. Now we must increase our income as our expenses have increased dramatically. I want you to be under the same favor of God I walk under. Please pray about increasing your partnership and watch God smile on you.
